GRATITUDE TO MY ALMA-MATER

Dear Sir / Madam,

1. I am an alumnus of Mrs. Bullmore Private School (1st to 3rd Std, 1980-82) and have been a part of Indian Air Force (including short stints with the Ministry of Defence and DRDO) for the last thirty years. I did my post-graduation in Engineering from IIT Madras, Management (two degrees) from Delhi University & Osmania University and presently pursuing doctorate from IIT Kharagpur.
2. I am writing to share some exciting developments in my career, as well as to express my deep gratitude to Mrs. Bullmore Private School for the foundation it provided me during my formative years. As a part of IAF, I have been a part of various operations including Op-Vijay (Kargil War), Op-Parakram (post Parliament attacks) and the Balakot strikes. It is with immense pride and honour that I inform you of my recent promotion to Air Commodore rank (equivalent to Brigadier rank in the Indian Army). I have assumed the charge of Principal Director, Engineering at Air Force Headquarters, responsible for overseeing maintenance / sustenance of Jaguar, Mirage-2000 and Rafale fleet of fighter aircraft of Indian Air Force. Additionally, I have recently been conferred the **Vishisht Seva Medal** by the President of India, on the occasion of the Republic Day 2025. This achievement is a testament to the engineering education and values of dedication, discipline & leadership that were instilled in me during my time at Mrs. Bullmore Private School.
3. I feel privileged to have had the opportunity to be part of my alma-mater that played a pivotal role in shaping my professional career, character and work ethic. As an alumnus, I would like to extend my assistance to my alma-mater in any capacity that may be beneficial.
4. Please feel free to reach out to me should there be any opportunity to collaborate, as I would love to give back to the institution that has given me so much. Thank you for your continuous support and for fostering an environment that nurtured my growth. I look forward to the possibility of working together in future.

With warm regards

Yours sincerely,
